## Membership Levels

ARMA International's membership levels allow our members to join and participate as it makes sense for you, your career and your organization.

ARMA International membership levels are broken out in the following categories:

- **Professional Member (\$175):** Professional Members receive discounts on all of the resources ARMA International provides. They receive a subscription to our *Information Management* e-magazine. And most importantly, Professional Members will have 24/7 access to all of ARMA International's On-Demand web seminars and job aids, free of charge – a catalog of more than 250 cutting-edge topics all at your fingertips, when you need answers to your most pressing questions. Also included in professional membership is our iMasters and iNDEPTH series of resources. This is ideal for any member who is familiar with information governance and can benefit from substantial discounts on education and resources.
- **Associate Member (\$95):** This is our first step into membership, recommended for students and retired professionals. Associate Members can join an ARMA International chapter and have access to an electronic version of our award-winning *Information Management* magazine. It's a great way for those new to information management to get up to speed and see what ARMA International can do for them.

Please note that while chapter involvement is recommended, it's optional and will incur an additional cost.

As you begin to assess what membership structure best fits your needs, please don't hesitate to reach out with any questions. We're here and happy to help. Simply email [member@armaintl.org](mailto:member@armaintl.org) or visit [www.arma.org/join](http://www.arma.org/join) for more information.
