LegalTech New York 2010 Partners with ARMA International and Kroll Ontrack to Offer Comprehensive Recordingkeeping Track

DECEMBER 14, 2009 -- NEW YORK, BUSINESS WIRE --

ALM's upcoming LegalTech New York 2010, the nation's largest and most prestigious legal technology conference and [trade show](#), will feature a full-day, comprehensive session track on recordkeeping and records management for legal and other professionals. The sessions, co-sponsored by ARMA International and Kroll Ontrack, will take place February 1 and will cover recordkeeping standards; balancing legal and [information technology](#) needs; and legal holds and records preservation. LegalTech New York will take place February 1-3 2010 at the Hilton Hotel in New York City. Complete conference information is available at www.legaltechshow.com.

The track will include the following sessions:

- **'GARP: Creating and Implementing a New Standard for Recordkeeping: Is Your Organization Ready?'** Speakers: Diane K. Carlisle, CRM, director, professional resources, ARMA International and Fred A. Pulzello, MBA, CRM, executive RIM, technology consultant
- **'Balancing Legal Concerns with Information Technology Needs'** Speakers: George May, vice president, product strategy, Kroll Ontrack and Wayne Wong, managing consultant, ESI Consulting, Kroll Ontrack
- **'7-Steps for Legal Holds of ESI and Other Documents'** Speakers: John Isaza, partner, Howett Isaza Law Group, LLP and John J. Jablonski, partner, Goldberg Segalla LLP

"Implementing legal holds and preserving records that may be related to litigation is much easier with a strong [records management](#) foundation," said Carlisle. "For that reason, we partnered with Kroll Ontrack, a [market leader](#) in helping corporations create and implement sound litigation readiness tactics and LegalTech, the number one tradeshow in the industry, to help bring our message to the market."

"ARMA International is a premier records management association, and a leader and authority on [information management](#) issues," said Gina Jytla, managing staff attorney, Legal Technologies, Kroll Ontrack. "Partnering with them at LegalTech New York gives us the opportunity to educate attendees on the importance of incorporating repeatable and defensible litigation readiness protocols into corporate [information](#) management plans."

Track attendees will earn up to 4.5 CLE credits (including up to 1.5 ethics credits) and CRM maintenance credits will be awarded. Please visit the LegalTech Web site for up-to-date information on credits being offered.

LegalTech New York 2009 attracted nearly 13,000 attendees and featured almost 300 exhibiting companies. The 2010 [conference](#) will offer more than 60 educational sessions for attendees. Topics range from [electronic discovery](#) and knowledge management to emerging technologies. For a conference agenda, exhibitor list and other details, visit www.legaltechshow.com.

LegalTech is presented by ALM Events, a leading producer of educational and networking events for [business leaders](#) and professionals. Other ALM events include ALM Legal [Conferences](#), Insight Information Conferences and the RealShare Conference series for commercial real estate professionals.

ALM, an integrated media company, is a leading provider of specialized business news and information, focused primarily on the legal and commercial real estate sectors. KEYS TO YOUR SUCCESS AT CES

It feels like just a few weeks ago we were boarding the plane to go to our "who cares" hotel room to begin the CES Ironman 2009. And here it is almost time for the 2010 event. We didn't even get a chance to workout and get in shape. . . darn!!!! It's a grueling event that pits man -- and woman -- against just about everyone and everything. [Read More](#)
